Dedication

This year, the Reflector Staff takes pride in dedicating the '48 Reflector to Anne Phillips.*

Miss Phillips taught in Maumee High School four years. During these years Miss Phillips proved herself to be an excellent commercial teacher. This brought her recognition in Northwest Ohio.

It is in appreciation of her service to this school that we respectfully dedicate this annual.

* During the fall of 1947, Miss Phillips passed away after an illness of several months.

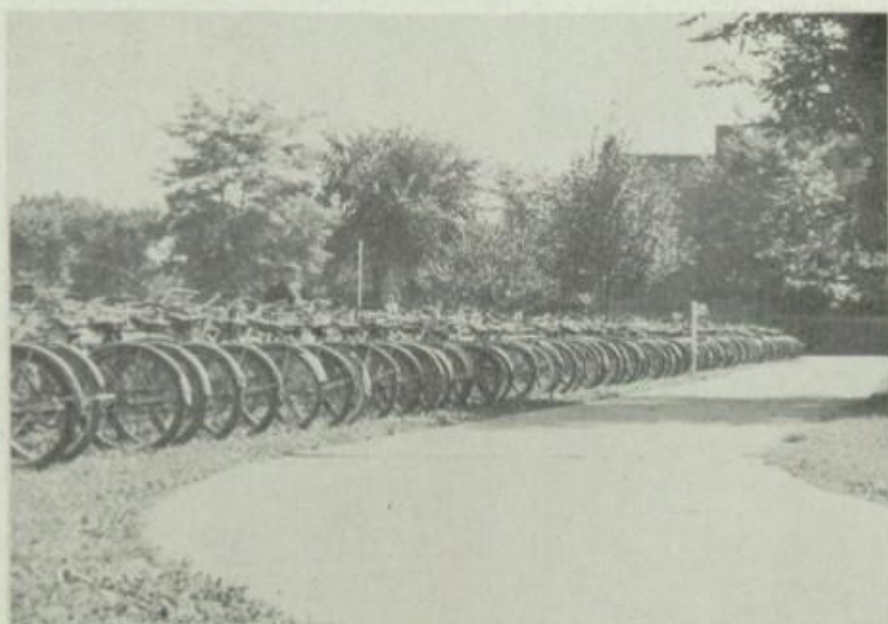

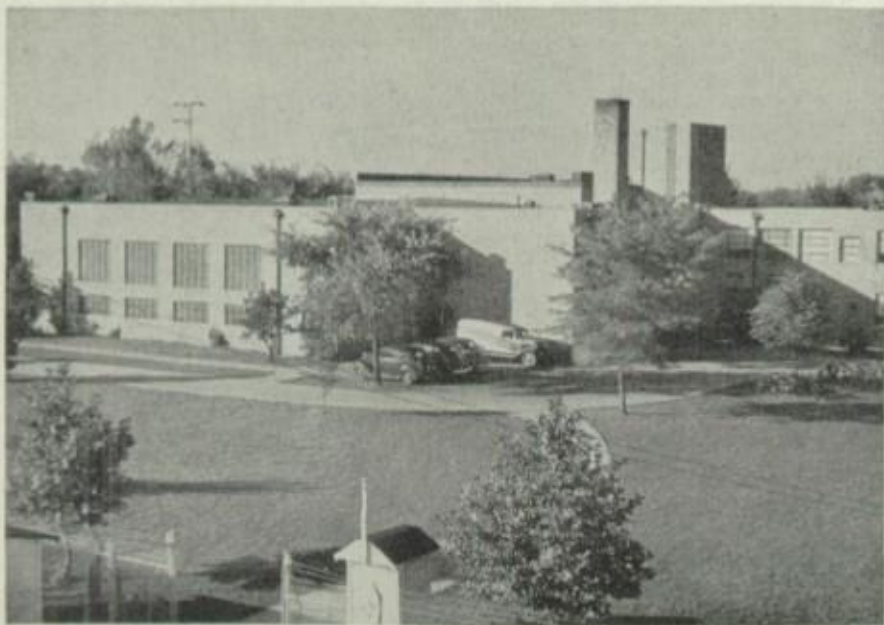

Foreword

The greatest joys in life are remembering and looking into the future. The Staff brings you this book with the intention of enabling you to do both. It is our sincere wish that this annual will bring you pleasant memories in the years to come, and that it will better equip you to look to the future with renewed hope.

Administration and Faculty

JOHN A. McKNIGHT
Superintendent
B. A. Geneva College
M. A. Ohio State University

Mr. McKnight came from Glendale, Ohio where he had been the superintendent of schools. Taking over the management of an entirely strange school system is a very difficult job. Mr. McKnight has shown his ability to do this very well. Although he has been here only a short time, he has earned the respect and confidence of the students.

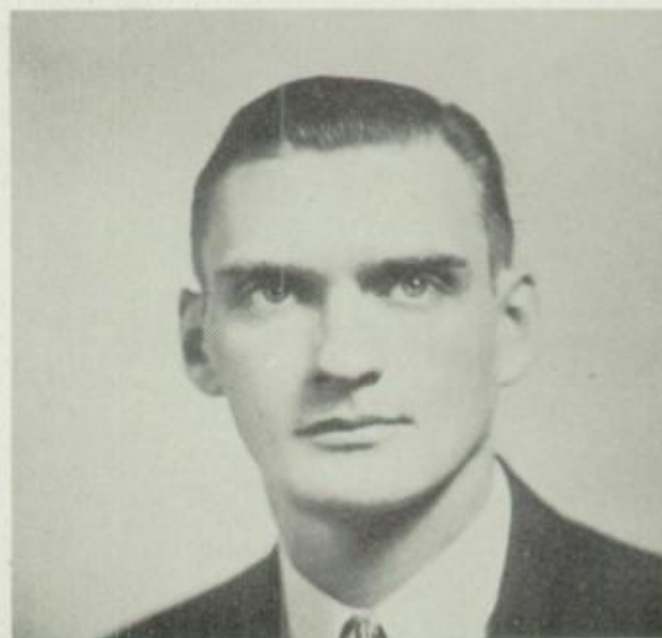

PHYLLIS SHEPERD

JACK H. O'NEILL
Principal
B. A. Northwestern State College
M. A. DePaul University
Additional graduate work at Loyola University
and University of Michigan

Mr. O'Neill assumed the role of principal of Maumee High School in January 1944. After teaching the American Problems classes for several years, he inaugurated the senior psychology class. This last year Mr. O'Neill has taught an evening class in psychology at the University of Toledo. Among his other activities Mr. O'Neill sponsors the Honor Society and is faculty manager of athletics.

Class of 1948

Mr. Jordan,
Class Advisor

70
Mr. Class

The Senior Class of 1948 is truly a class to be proud of. It has lived up to all the standards of the school and perhaps set some new ones.

Because of expert guidance on the part of teachers, of sponsors, and of school personnel, it has developed many talents, such as artistic, musical, and scholastic abilities.

The class was well represented in all phases of athletics.

The Seniors have shown a great deal of school spirit.

This class has assumed its duties as Seniors by becoming the leaders of the school. They have come a long way from the forlorn Freshmen who first entered high school in 1944.

When the class of '48 graduates in May, we will hate to see them go; but we realize they must take their part in society.

Class of 1949

The Junior class's task is to sponsor the outstanding social events of the school year. They gave the traditional Junior Carnival. The Carnival was a great success. It showed hard work and imagination on the part of the class members. The class also sponsored the annual Junior-Senior Dinner Dance. Each student worked hard to make this the "grand success" of the year.

Class of 1950

During the year 1947-48, the Sophomores have been rather outstanding in the way of social events. In the fall a roast and dance was held at Sidecut Park under the supervision of Miss McManus.

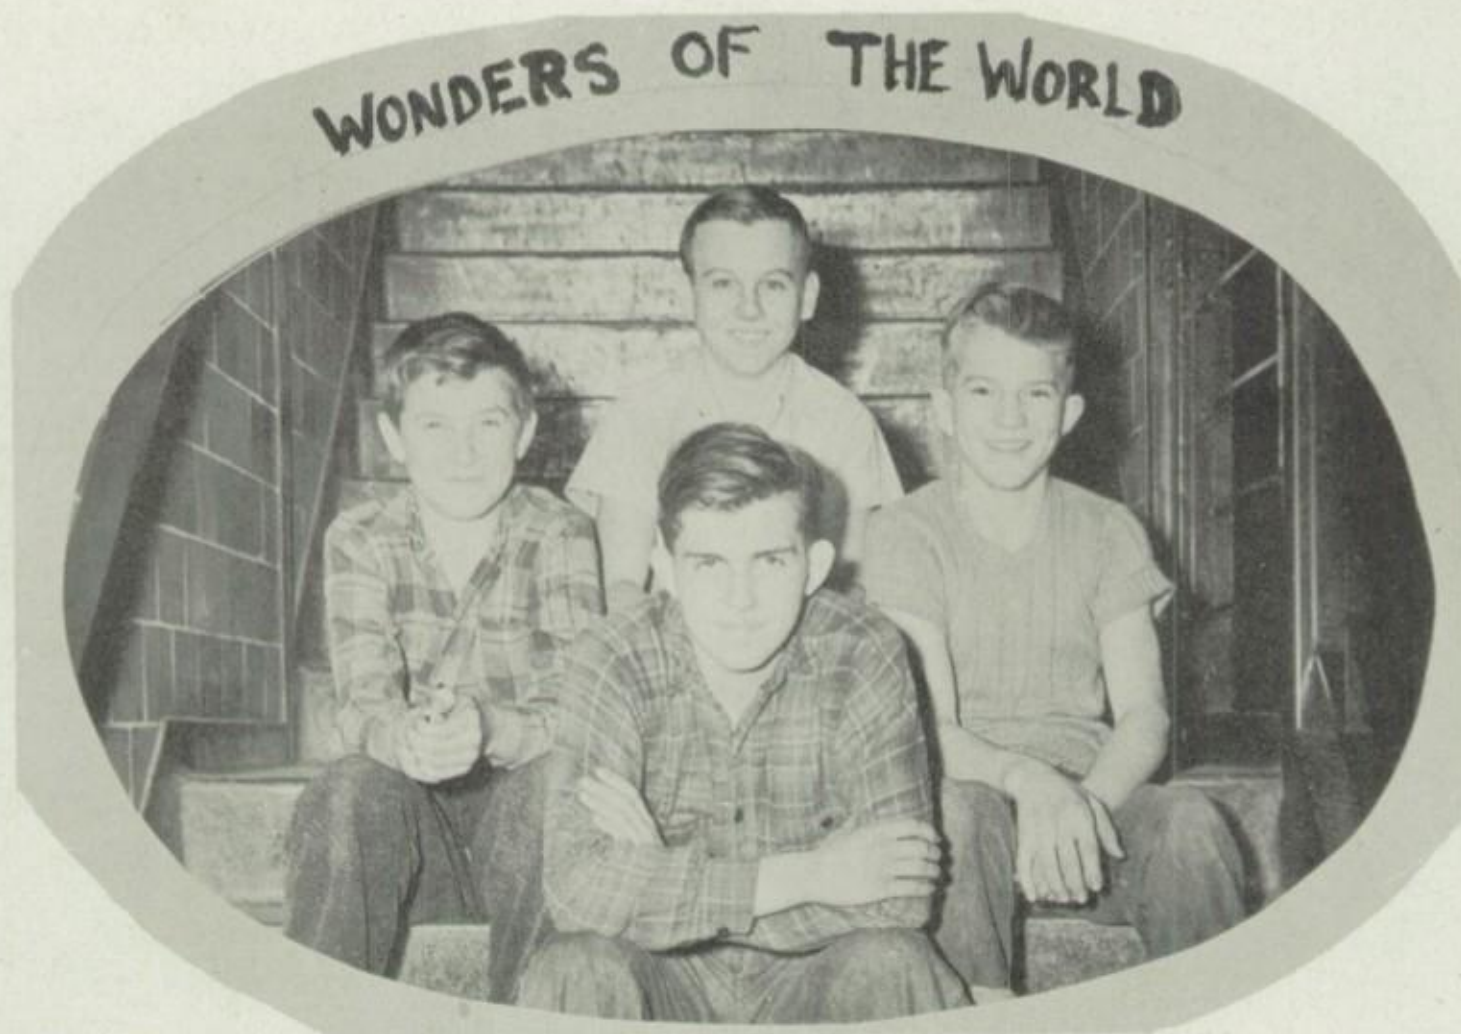

Before Christmas vacation a Pre-Xmas party was held in the gym; dancing and refreshments followed.

In the spring a picnic was held. Let's hope the Sophomores keep up the good work next year.

Class of 1951

The Class of 1951 has started its high school career. The Freshmen are permitted to have three activities each year. These are carefully chosen by the students and their advisor. They chose to sponsor the dance after the Wauseon football game. They also had a party in February and another in May. Through their next three years, the Freshmen will try hard to strive for bigger and better things.

SECOND ROW: D. Talbut, B. Knorr, F. Charters, P. Brell, J. Addison, M. Robison, G. Smith.

Honor Society

Membership in the National Honor Society is determined by scholarship, service, leadership, and character. Each year a formal induction is held to install the new members selected from the eligible junior students. The year started with Dorrence Talbut elected president, Sally Jordan, vice-president, and Martha Lou Robison, treasurer and secretary. Mr. O'Neill is faculty advisor. Second semester officers were Bill Bigelow, president, Jean Lawrence, vice-president, and Nancy De Brock, secretary and treasurer.

FIRST ROW: N. Williams, N. Rogers, B. Shawen, S. Brahier, J. Everingham, D. Kazmaier, C. Dunbar

 THIRD ROW: J. Spacky, B. Puhl, F. Charter, G. McNutt, D. Spencer, R. Sautter, J. Gilsdorf, Mr. Baird

Student Council

The Student Council members have done their best to act as a medium between the faculty and the student body. They have considered suggestions given to them and presented the suggestions to the faculty for action.

The officers of this year's club are Stanley Brahier, president, Bob Shawen, vice-president, Janice Everingham, secretary, and Dick Kazmaier, treasurer. Mr. Joseph Baird is the club's advisor.

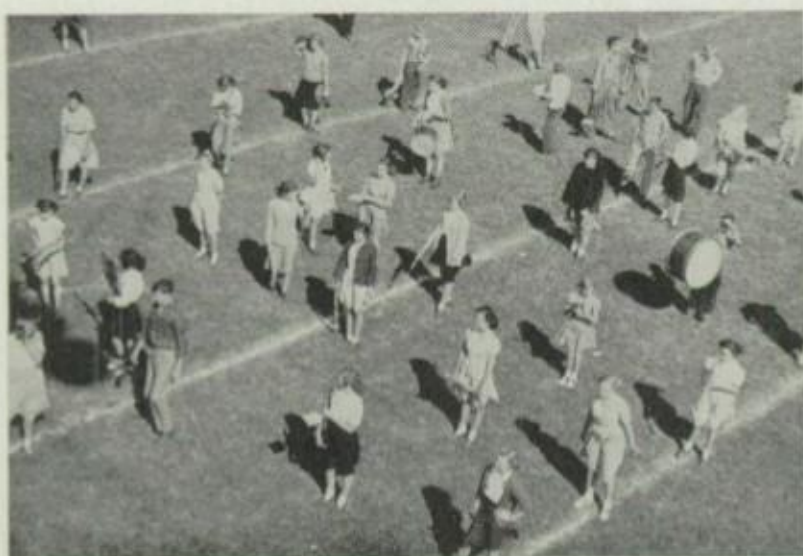

Members of the council have attended area council meetings, sponsored the suggestion box, sponsored the Christmas Prom and the Talent Show, and have sold basketball programs.

Band

The band was directed by Mr. George Wilson this year. He was assisted by Bob Shawen, president; Pat Spenthoff, vice-president; Janet Eriksen, secretary, and Peg Towers, treasurer. The band was led through many interesting formations during the football season of 1948 by Carolyn Hughes, Ginny Fauble, Diane Beard, and Sue Eversole. The band presented very successful fall and spring concerts, and took part in the annual Spring Festival. The band also performed at numerous assemblies and school functions.

FIRST ROW: J. Baggett, B. Foltz, B. Kirlin, J. Brinley, J. Foote, R. Quiniff, T. Rinehalt, G. Beebe, J. Rectenwald, S. Strong, P. Brell

Choir

"The Whole World is Singing My Song"

This year's choir is made up of over forty voices. Membership is open to 9-10-11-12 graders. Tryouts must be arranged with the director, Mrs. George Wilson.

The choir's many activities included the presentation of a program for Open House, assemblies, the Spring and Christmas Concerts, Exchange Program, the Festival, and Senior Vesper Service.

Girls' Glee

Girls from grades 9 to 12 are eligible to join the Senior Girls' Glee Club. The Junior Girls' Glee is available to girls in junior high. This year the groups participated in concerts, Open House, the Festival, and commencement exercises. Both groups are under the direction of Mrs. George Wilson.

Boys' Glee

The Senior Boys' Glee Club is open to boys from grades 9 to 12. The Junior Boys' Glee Club is for the seventh and eighth grade boys. The two groups sang in the Christmas Concert and the Spring Concert. The boys are directed by Mrs. George Wilson and Mr. George Wilson.

Librarians

The newly dedicated "Files Memorial Library" is staffed by the students pictured above. Each student works at least one period daily in the library assisting the students in their choice of reading material, checking books in and out, and doing the odd jobs necessary to keep the library running efficiently. For their work they receive recognition yearly through the award of service medals. Miss Ardah Brown is the head librarian.

Sports

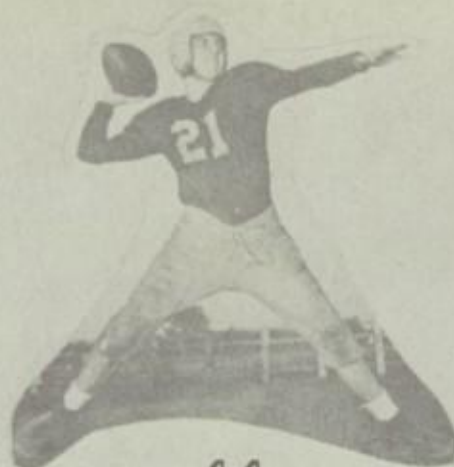

Football Team

Cliff Conrad's Panthers finished an undefeated season on November 7, 1947. In the last game, the team gained a respite from past Perrysburg victories by soundly defeating that team by a score of 41-18.

The team finished second in the G.N.C. by virtue of a 13-13 tie with both Rossford and Clay. At the end of the season the Panther's total standing was 7 victories and 2 tie games.

"B" Squad Basketball Team

The Reserves captured the conference trophy with a 9 won, 1 lost record. Only one other loss marred the season's record. The "Varsity" will benefit greatly by these up-and-coming athletes. The "B" team's final tally was 13 wins and 2 losses. Mr. Baird has cultivated his players into a fine working machine. The school should be proud of its 1948 Conference Champions.

Girls' Sports

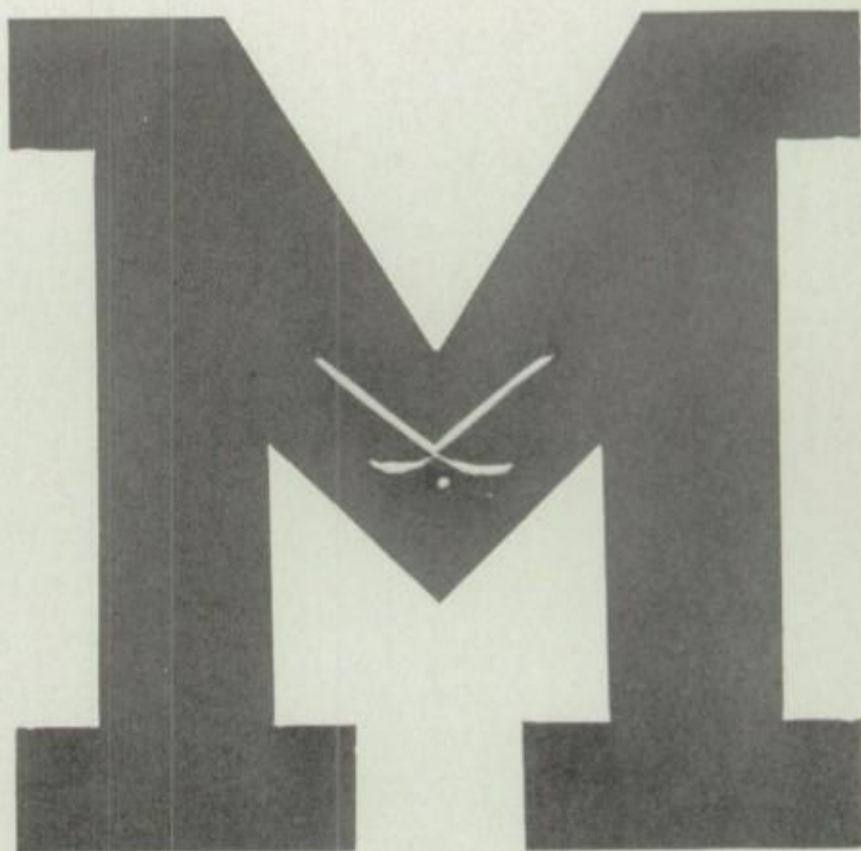

There are many opportunities for girls interested in athletics. The Girls' Athletic Association has on its agenda Hockey, Basketball, Volleyball, Badminton, Softball, Archery, Ping Pong, and Golf. Girls from grades 9-12 are invited to come out and participate.

Girls receiving awards and the new officers were honored at a Mother-Daughter Banquet at the close of a successful year under the guidance of Miss Farrell.

Hockey

The hockey season of 1948 was very successful. Under the leadership of Sally Jordan many girls had the chance to participate in the games. At the last of November a game was scheduled with Country Day School. For the first time in many years Maumee emerged undefeated. The resulting score was tied 1-1. Both teams enjoyed a get together in the cafeteria after the game.

After a few preliminary practices, the annual class tournament began. The Sophomore team was the victor and the Senior team was runner-up. The two winning teams were guests of Mr. Jordan and Mr. O'Neill at a hockey luncheon.

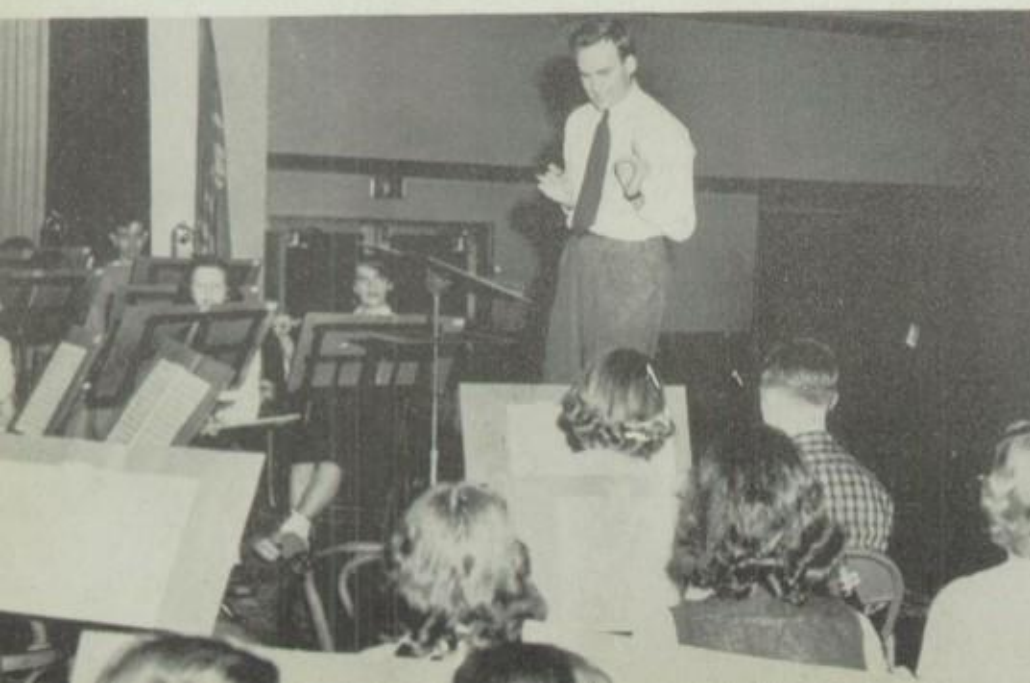

Basketball

The program of the 1948 girls' basketball season included two tournaments and the annual game with Country Day School. The inter-class tournaments were won by the senior team and the varsity team. Jean Lawrence, head of basketball, encouraged all the girls to come out for her sport. There was a large turnout from all of the classes.

The varsity team was guest of the Country Day team at close of the season. The game resulted in a victory for Country Day. Refreshments were enjoyed by all after the game.

Why Glass . . . One of Man's Oldest Materials . . . is a **NEW** Product Today

Glass is an ancient material—man has used it for 5,000 years. Through the ages, in Egypt, in medieval Europe, in colonial America, glass has been treasured for the many ways *it* serves civilization.

Early in our own century, bottles, jars, window glass, even light bulbs were made by hand. Manufacture was slow and costly. Many of us can remember our grandmothers carefully treasuring each glass container because of the relatively few products then packaged in glass.

In the early 1900's, miraculous changes took place in the glass industry. The machine revolutionized the making of glass as it had done in the textile and other industries. As usually is the case, the leader sponsored research and invention, and the glass industry made more progress in four decades than had been made in the past 400 years.

Machine-made glass surpassed in quality that made by the old hand methods and also speeded up production and tremendously reduced costs, which permitted bringing the benefits of glass to many products.

Nowhere was the advent of a new era in glass more clearly seen than in glass containers.

Years of research and adoption of scientific methods at Owens-Illinois culminated in the perfection of the Duraglas technique of container manufacturing. This made it possible to reduce the weight of containers, retain adequate strength and produce them at high speeds economically.

Today you see the results of this modern method of making Duraglas containers. They package the rare and costly as well as the common things. Glass carries these products in a container which is transparent, impervious to moisture and almost every chemical.

Oh Maumee shoulder to shoulder
We stand to fight for thee.

Oh Maumee loyal and true
To thy colors we will be.

Our hearts are tuned for the fray
As our friends and foes shall always see.

We'll uphold thy fame,
We will win this game,

Fighting on to victory
With a Panther scream.

We will back our team
And will win for old Maumee!
